

Power Responsive Flexibility Forum – Agenda

Location: etc venues St. Pauls, 200 Aldersgate, St. Pauls, London EC1A 4HD

Date: Thursday 11th January 2018 – 10:00 – 16:30 (registration from 09:15)

Welcome

- 9:15** **Coffee, Registration and Networking**
- We will be hosting surgeries/drop-ins throughout the day in our networking area. You'll be able to speak with our experts on:
 - The Capacity Market
 - National Grid's Power Potential project with UK Power Networks.
 - Balancing Services – National Grid Account Managers on hand to answer your questions.

- 10:00** **Welcome and Introduction**
- Overview and introduction to the Flexibility Forum.
 - Summary of the days agenda.
 - Feedback and summary from Power Responsive Steering Group.

Session 1 – Policy, Regulation, & System Operator Update

- 10:10** **BEIS & Ofgem Update:**
- How have actions within the Smart Systems Plan progressed since September.
 - Updates from the Smart Systems Forum, and Charging Futures Forum.
 - Wider developments relating to Storage, Renewables, and DSR.

- 10:50** **National Grid Update:**
- **Balancing Services Procurement** – an update on recent tenders and procurements from Reserve and Response markets.
 - **Product Rationalisation and Simplification** – addressing highlights from the recently published Product Roadmap (stage 3 of the rationalisation process) and the next steps.
